

СМОТРИ, ГРИШКА,
ЧТО ЭТО БЛЕСТИТ?

This panel shows two young men in a dark forest at night. The man on the left, with brown hair and a yellow hoodie, is pointing towards a glowing, crystalline structure on the ground. The man on the right, with dark hair and glasses, is looking at the structure with a serious expression. The structure is made of translucent, faceted material and is surrounded by small, sparkling lights.

ТАЙНИК?

This panel shows the two boys crouching in the forest, looking down at the glowing crystalline structure. The boy in the yellow hoodie is reaching out towards it, while the boy with glasses looks on intently. The structure is still glowing with small lights.
