

Что это  
за странный  
шум?

Лукоморье  
в опасности!

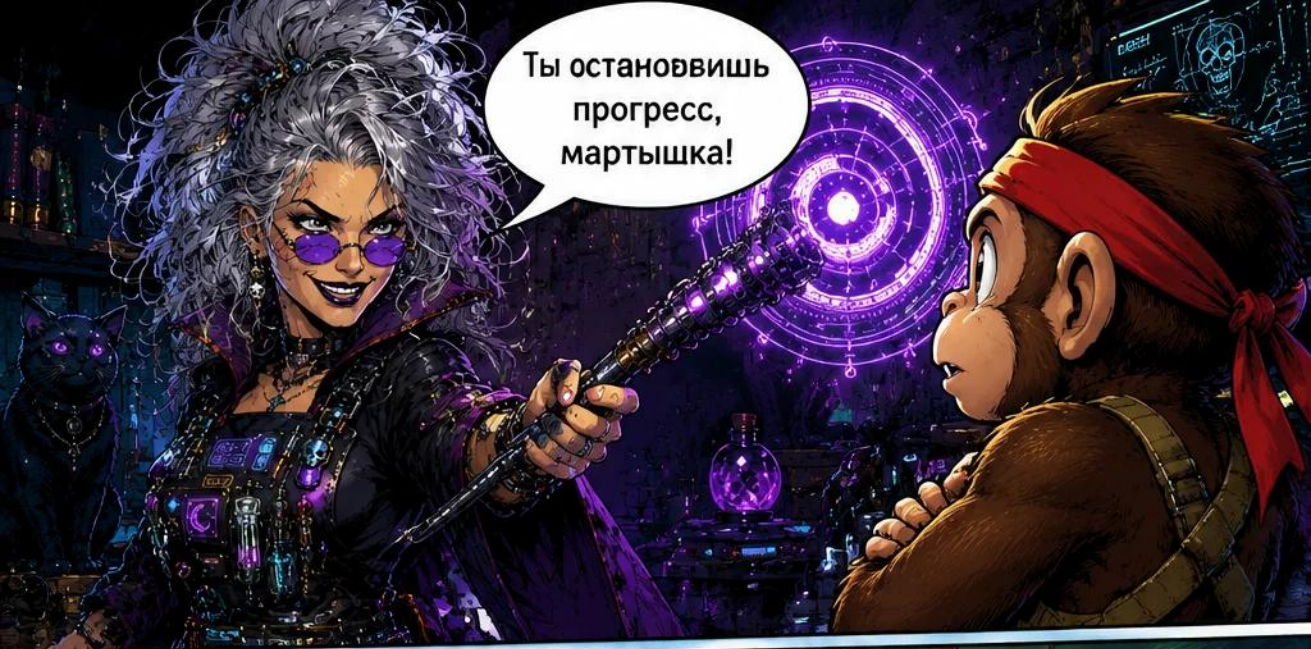

Надо спасти  
сказки!

A woman with wild, white, curly hair and purple-tinted glasses stands in a library. She wears a black jacket with purple lining and a tactical vest with various pouches and a skull emblem. She holds a glowing green staff with a spherical top. The background features bookshelves, a black cat, and a glowing purple circular portal. A speech bubble is positioned in the upper right.

Теперь сказки  
будут звучать  
по-моему!

A cartoon monkey with brown fur, a red headband, and a wide smile is sitting on a desk. He is wearing a brown utility belt. Behind him is a glowing purple circular portal with lightning bolts. To the right, the back of the woman's head and shoulder is visible. On the desk in the foreground are a keyboard, a mouse, and a white mug with a skull design.

Не так  
быстро,  
бабуля!

Ты остановишь  
прогресс,  
мартышка!

Магнит —  
твой злейший  
враг!

Ой! Мои  
навороты!

Техника  
бессильна  
против  
смекалки!

Сказки  
снова в  
безопасности!

Дружба —  
самая сильная  
магия
